

2015 Field Trip and Activity Schedule

SJBAS members have proposed the following field trips for 2015. Please read [General Information About Field Trips](#) and check forthcoming issues of the [Moki Messenger](#) and monitor this web page for updates. Field trip participants must be current CAS members; SJBAS chapter members will receive priority for trips with participation limits. For information about these trips or to sign up, contact the trip leaders directly.

This is a tentative trip schedule; although we hope to go on the outings as planned, these dates and destinations are subject to change due to adverse weather or road conditions, unanticipated scheduling conflicts, or changes made by the leaders.

In addition to the following trips, there are several important conferences scheduled for this year, including the Pecos Conference and the Colorado Archaeological Society Annual Meeting and Symposium. Check your [Moki Messenger](#) or our website at www.sjbass.org for details.
