Colorado is not the only place with a famous annual event celebrating the best of the Wild West. It's time to visit our cousins to the north for the Calgary Stampede for a rootin'-tootin' stomp-your-bootin' good time. Once we've had our fun in Calgary, likened to the Denver of Canada, we'll leave the straw and belt buckles behind for the essence of luxury and splendor aboard the Rocky Mountaineer with Gold-Leaf service. With Dr. Andrew Gulliford hosting us for interpretation, we'll travel through the Canadian Rockies on our way to the Pacific, with elegant hotels, sightseeing, history, the legendary Spiral Tunnels and scenery rivaled almost nowhere else on earth. This definitely qualifies as a once-in-a-lifetime trip, so let's cross the border to cross the Continental Divide in Canada and kick up our boots from Calgary to the coast.

Includes eight nights' lodging, bus transportation, Gold Leaf service on Rocky Mountaineer, guides, interpretation, all entrance fees and fifteen meals, including a Welcome Dinner, and two meal vouchers at the Calgary Stampede. Airfare not included with tour package.
