

Field Trip and Activity Schedule - 2017

SJBAS members have proposed the following field trips for 2017. Please read [General Information About Field Trips](#) and check forthcoming issues of the [Moki Messenger](#) and monitor this web page for updates. Field trip participants must be current CAS or SJBAS chapter members; SJBAS members will receive priority for trips with participation limits. For information about these trips or to sign up, please contact the trip leaders directly.

This trip schedule and it is a "work in progress." Although we hope to go on the outings as planned, these dates and destinations are subject to change due to adverse weather or road conditions, unanticipated scheduling conflicts, or changes made by the leaders. Click on the hyperlinks that are in blue and underlined for more information about trip destinations or meeting presentations.

In addition to the following trips, there are several important conferences scheduled for this year, including the Pecos Conference and the Colorado Archaeological Society annual meeting. Check your [Moki Messenger](#) or our website at www.sjbas.org for details.
